

myWellmark – Health Insurance Made Easy

Health insurance is complicated, so myWellmark was created to make managing your health benefits even easier.

Did you know at myWellmark you can....

- Access all of your health information in one place?
- Find a health care provider in your network?
- See accurate costs for medical procedures?
- Track and organize your family's medical expenses and claims?
- Get health news, resources and tips?

Did you know that Wellmark is Mobile?

The Wellmark mobile app goes with you. Besides finding important information about your health plan benefits, the Wellmark mobile app can help you get the care you need, when you need it.
