

605.6E1 Internet Access Permission Letter

Dear Student, District Personnel or Volunteer/Other:

As part of the School District’s continuing effort to provide all students, employees and volunteers with high quality, up-to-date educational resources, we have internet access on the computers in all Clarinda Community Schools.

Please know the entire administration and staff of the school district is committed to ensuring the use of computers and internet access for only educationally sound and productive learning activities. During school activities teachers and other staff will guide students toward appropriate materials.

The School Board has adopted a Responsible Use Policy to comply fully with the federal Children’s Internet Protection Act. Each school will review the information in the District Computer, Network and Internet Policy in age-appropriate language before allowing him/her to use the Internet on a school computer. We also request that you review the policy with your child to reinforce the importance of internet safety for all children. One rule that we consistently emphasize is that students, employees and volunteers should never give out personal information (home address, phone numbers, etc.) about themselves or others when using the internet.

I understand, accept and agree to abide by the following terms and conditions:

- I have received and familiarized myself with the District Computer, Network and Internet Policy approved by the Clarinda Community School Board.
- I will abide by the Terms and Conditions of the District Computer, Network and Internet Policy in my use of computing devices at school.
- I understand and accept that the purpose of the Clarinda Community Schools network is educational, and other uses are inappropriate.
- I understand and accept that the use of the School Community School’s network is a privilege and not a right.
- I understand that there is no guarantee of privacy using District technology.
- I understand that violation of the District Computer, Network and Internet Policy may result in disciplinary action ranging from a verbal or written warning to criminal prosecution.
- I understand that if it is determined that a device is lost or damaged as a result of my negligence, that I am responsible for the cost to replace or repair the device.

I have read Policy 605.6 Internet Acceptable Use and Policy 605.6E1 Internet Access Permission Letter and agree to abide by these provisions. I understand that violation of these provisions may constitute suspension or revocation of internet privileges and discipline. School personnel who violate these provisions may be subject to disciplinary action including immediate discharge or termination of employment.

This agreement will be in effect for as long as the student, employee or volunteer/other attends, is employed, volunteers, or participates at Clarinda Community School District and may be revoked at any time by the parent/guardian or administration. Procedures are subject to change at any time at the discretion of the superintendent.      Reference Policy 605.6
