

PARENT/GUARDIAN CONSENT FOR  
TRANSPORTATION OF STUDENT FOR EXTRACURRICULAR ACTIVITIES

Student Name: \_\_\_\_\_ Student Grade: \_\_\_\_\_

I, the undersigned, am the parent/guardian of the above-named Student. The Student desires to participate in one or more extracurricular activities offered through the \_\_\_\_\_ Community School District.

I understand that these extracurricular activities will involve my student's attendance at practices, games, meetings, and other activities which will take place at "home" (on School District premises) and "away" (off School District premises) and that transportation of the Student to and from these events is necessary for the Student to participate.

I further understand that the School District has offered to provide transportation for students to and from the "away" events for their participation. However, the Student and I desire to decline this offer and arrange for the Student's own transportation to and from these events. This may include the Student or Parent/Guardian driving a private vehicle or the Student riding in a private vehicle driven by a third party. I understand that our choice may expose the Student to the risks associated with private transportation.

With these understandings in mind, and in consideration of my Student's participation in the events, I take responsibility for the Student's transportation to and from extracurricular activities. Also, I hereby relieve the School District of any responsibility for such transportation and, to the fullest extent permitted by law, release the School District and its employees from any corresponding liability for damage or injury occurring as a result of such private transportation.

In signing this form, I represent that I have read the entire document, that I understand and agree to its terms, and that I have signed it knowingly and voluntarily. I agree that if any portion of this form is held invalid under the laws of the State of Iowa, the balance of the consent form will, notwithstanding, continue in full force and effect.
